MEMBERSHIP CIRCLE BENEFITS

DyMynd Angels created the Membership Circle to cultivate a community of diverse women focused on becoming informed and empowered Female Funders and who choose to invest in Women.

Through our targeted educational programming, we know that we will empower our members to think about investment decisions differently. The Membership Circle will activate every woman to achieve true financial empowerment with Clarity, Comfort, and Confidence.

Member Benefits

- Education that you need to truly empower the Funding Mindset to be an effective Female Funder.
- Access to experts in the Angel Funding community where you'll hear their solutions to the gender funding gap and their approaches to investing in women.
- Immersion experiences in the Chicago entrepreneurial community, including in-person relationship building & on-site education at various incubators.
- Sneak peeks at some of Chicago's leading start-ups.

CULTIVATE YOUR ANGEL MINDSET.

EDUCATION

DyMynd Angels leverages a social learning approach to financially empowering women. Our educational presentations are led by industry leaders in a conversational manner. They'll speak on key topics, answer questions and tailor the conversation to our audience.
